

## WOMEN IN MATHEMATICS DAY 2012

The next Women in Mathematics Day will be held on **27 April 2012** at De Morgan House, 57-58 Russell Square, London. Sessions will include talks by women mathematicians in a variety of appointments and at different career stages.

The organisers would be very grateful if all members could encourage women mathematicians, particularly students (including final year undergraduates) and those at an early stage in their career, to attend this meeting. The Women in Mathematics Day provides a valuable opportunity to meet and talk with women who are active and successful in mathematics. Participants from previous meetings have found this opportunity useful and beneficial.

While women are especially encouraged to attend this day, men are certainly not excluded.

Any postgraduates, postdocs or research assistants wishing to give a talk during the afternoon session or present a poster should contact Susan Pitts ([s.pitts@statslab.cam.ac.uk](mailto:s.pitts@statslab.cam.ac.uk)) by **9 March 2012**

**A £50 book token will be awarded for the poster that is judged to be the best Women in Mathematics Day Poster 2012.**
