by Author of book, name of press, year, £price, US\$ price, ISBN:

XXX-XXXXXXXXXX

Review by Name of Reviewer

**width=32mm
height variable**

Please write your review here. It should be between 500 and 1000 words. Your review should end with a photograph and brief profile of the reviewer. This profile should include affiliation and research interests, but it should also include

some additional non-work information. Reviewer profiles should be written in third person.

You can find past examples of book review at <http://newsletter.lms.ac.uk/category/reviews/>.

Ann Reviewer

Ann Author is a lecturer in mathematics at Edinburgh Napier University. Her main research interests are in algebraic topology, but she also has a keen interest in mathematics education. Ann was born in Australia, and it remains her long-term ambition to learn the didgeridoo; her two dogs are less enthusiastic about this idea.
