# LONDON MATHEMATICAL SOCIETY

Dr. Dusa McDuff

CONFIGURATION SPACES OF PARTICLES

and

Dr. A. M. Davie

SOME USES OF RANDOM FOURIER SERIES

*FRIDAY, 17th MAY, 1974, at 3.30 p.m.*

UNIVERSITY COLLEGE OF SWANSEA,  
SINGLETON PARK,  
SWANSEA

---

*Tea will be served at 4.30 p.m.*

**INSTITUTE OF MATHEMATICS  
AND ITS APPLICATIONS  
AND  
LONDON MATHEMATICAL  
SOCIETY**

Joint Symposium on  
**MATHEMATICAL ECONOMICS**

*Chairman:* Professor C. A. ROGERS, F.R.S.

*Introduction:* Professor F. H. HAHN,

*Speakers:* JEAN-MICHEL GRANDMONT

Professor A. KIRMAN

Dr. N. STERN

Professor W. M. GORMAN

*FRIDAY, 7th June, 1974*

LECTURE HALL,  
BRITISH MUSEUM (Natural History),  
CROMWELL ROAD,  
LONDON SW7 5BD

Fees, including coffee, lunch and tea: I.M.A. and L.M.S. members £4.40, others £8.80. Places may be reserved by sending the remittance to The Secretary, I.M.A., Maitland House, Warrior Square, Southend-on-Sea, Essex SS1 2JY; please state your name, address and institution.

May 1974

## SOCIETY DINNER

As announced elsewhere, the L.M.S. meeting on Friday, May 17th, 1974, will be held at the University College of Swansea. There will be a Society dinner in the evening; the charge per person will be £2.50. Would those wishing to dine

please write to me before May 10th, enclosing a cheque. My address is Department of Pure Mathematics, University College of Swansea, Singleton Park, Swansea SA2 8PP.

J. D. WESTON.

## FORTHCOMING MEETING

Professor J. F. Adams, F.R.S., will be the speaker at the June meeting of the Society (the Whitehead Meeting) which will be held at St. Catherine's College,

Oxford, on Friday, June 28th. His title will be "Algebraic topology: its geometric roots and future prospects".

J. L. BRITTON.

[Continued]

## VISITING MATHEMATICIAN

Professor Francis Buekenhout of the Université Libre de Bruxelles will be visiting the University of Stirling from

July 16th–31st. His field of interest includes permutation groups and geometries.

P. ROWLINSON.

## Supplementary Membership List

The last list of members of the L.M.S. was published in December 1972. A supplementary list is now being prepared for November 1st, 1974.

(i) Would members whose entry in the 1972 list is now incorrect please complete

and return the form below before June 30th.

(ii) Would members with no entry in the 1972 list complete and return the form below before June 30th if their particulars have altered since the time of joining the Society.

J. L. BRITTON.

- ☐ My name is in the 1972 list  
☐ My name is not in the 1972 list

Surname .....

Other names .....

Degrees, etc. ....

Present position .....

Postal address .....

.....

Please return before 30th June, to:

Mrs. Shalit, London Mathematical Society, Burlington House, Piccadilly, London W1V 0NL.
