LMS MEMBERSHIP SUBSCRIPTIONS 2026/27

September 2026

Dear LMS Member,

Thank you for your ongoing support of the London Mathematical Society through your continuing membership. Subscriptions for the session November 2026–October 2027 become due on 1 November 2026 and should be paid no later than 1 December 2026, unless you pay by Direct Debit.

Access to your membership record online

Members can access their own records online by logging on to the Society's website: www.lms.ac.uk/user and clicking on the "My LMS Membership" tab. The tab contains the relevant information about a member as held by the Society, including contact details and information about their membership and, where applicable, journal subscriptions. Members are encouraged to check this information carefully and make any changes, as necessary. Any queries should be directed to membership@lms.ac.uk, tel: 020 7927 0808 or 020 7291 9973.

Membership Benefits

We are pleased to remind you that your annual subscription provides a range of benefits, including use of the Verblunsky Members' Room at De Morgan House, access to the Society's Library at UCL, regular *Newsletters* and e-Updates, networking opportunities, membership of a vibrant international society, discounts and free online journal access.

Paying your subscription:

- The Society offers several ways to pay your subscription. *Direct Debit* is encouraged for members with a UK bank account. *Cheque* payments may be made in GBP or USD. *Credit and debit card* payments can be made online only via the Society's website, using Tyl by NatWest as the card payment provider.

LMS Online Journal Access

- To subscribe to the 2027 Journal Volumes, please see the information on the attached form.
- Members can receive free electronic access to the *Bulletin*, *Journal* and *Proceedings of the LMS*, *Mathematika* and/or *Nonlinearity* **for personal use only**. To receive access, members must select their preferred journals either in their online membership record or on the attached form.
- Please provide a current email address if you wish to receive electronic access to any of these journals.
- If you take a free electronic subscription to the *Bulletin, Journal, Proceedings of the LMS* and/or *Mathematika* your email address will be passed to Wiley who will administer access to these journals.
- If you take a free electronic subscription to *Nonlinearity*, your email address will be passed to the Institute of Physics who will contact you with details on how to access the journals.

Donations

Your donation helps the Society advance, disseminate and promote mathematics in the UK and around the world. Donations may be made using the attached form or via your online membership account at https://www.lms.ac.uk/user/login. As a registered UK charity (no. 252660), the LMS uses donations to support mathematical research and collaboration through a range of grants. Further information about the activities and projects supported by donations is available at https://www.lms.ac.uk/content/donations/how-lms-supports.

Yours sincerely

Professor Simon Salamon,

Treasurer.

NOTES

SUBSCRIPTIONS

1. The basic subscription includes free online access to journals.
2. The subscription is not payable by a member who:
(i) is an Honorary Member; or
(ii) has paid annual subscriptions for not less than 35 years.
If you claim free basic subscription, please indicate the reason clearly on the subscription form.
3. Tiered **Ordinary** membership fees are available. Members paying the Ordinary membership rate should select the appropriate rate according to their annual professional income: above £70,000 per annum: Ordinary (high); £40,000–£70,000 per annum: Ordinary (middle); and up to £40,000 per annum: Ordinary (low).
4. Selected discounted rates on Ordinary membership are available to members, as follows:
i. **Reciprocity** membership is available to members who are not normally resident in the UK and who are full members of one of the Society's Reciprocity partners, as listed on the Society's website.
ii. **Advanced Post-doc** membership is available to members who have completed their PhD within the last three to six years, excluding career breaks.
iii. **Retired** membership is available to all current members who have retired from their professional careers.
iv. **Concessionary** membership is available to members who have returned to full-time education, are on a career break or in part-time working, or are unemployed or otherwise in hardship.
v. **Worldwide Access** membership is available to members based in eligible countries listed in the IMU developing countries classification: https://www.mathunion.org/cdc/about-cdc/definition-developing-countries.
vi. **Worldwide Access (Reciprocity)** membership is available to members who are based in eligible countries listed in the IMU developing countries classification and are full members of mathematical societies with which the LMS has reciprocity agreements, as listed on the Society's website.
5. **Associate** membership is available to postgraduate and early career mathematicians within three years of completing their PhD.
6. **Associate (Undergraduate)** membership is available for undergraduates studying for degrees in mathematical sciences
7. **Lifetime** membership fee is a one-off payment calculated as the number of unpaid years remaining towards 35 years of continuous membership, multiplied by the Ordinary (middle) membership rate in the membership year in which the lifetime fee is paid.
For further details about changing your membership subscription, please contact us membership@lms.ac.uk.
8. Figures quoted in USD are set at this rate for payments by personal cheques and bank transfers to allow for bank and postal charges. If paying by card, payment will be in GBP at the exchange rate on the payment date.

LMS PUBLICATIONS FOR MEMBERS

9. The membership benefits also allow individual members to sign up for access to the *Bulletin*, *Journal*, *Proceedings of the LMS, Mathematika* and *Nonlinearity* online, free of charge.
- Subscriptions to *Bulletin*, *Journal* and *Proceedings* of the LMS and *Mathematika* are administered by Wiley.
- Subscriptions to *Nonlinearity* are administered by the Institute of Physics.

In common with other mathematical societies, the Society treats electronic journal access as being for personal use only. Access details must not be shared with other mathematicians or with institutions.
10. The Society reserves the right to discontinue the supply of free online access to these journals to members whose subscriptions remain unpaid by 1 December 2026 (where the subscription arrives after 1 December, free online access will be supplied but with some delay).

OTHER PUBLICATIONS AND DISCOUNTS AVAILABLE TO INDIVIDUAL MEMBERS

11. The Society is associated with the publication of book series:
- The LMS Student Texts (Cambridge University Press),
- LMS Lecture Note Series (Cambridge University Press)

All these publications are available at a 25% discount to individual members on orders placed directly with the publisher with discount code LMS25. For further details about the Society's publications, please refer to the LMS website: www.lms.ac.uk/publications

MEMBERSHIP SUBSCRIPTIONS TO OTHER MATHEMATICAL SOCIETIES

12. Individual members can subscribe to the European Mathematical Society (EMS), at a discount, when renewing their LMS membership. Further details about EMS memberships are available here: https://euromathsoc.org/.
13. Members of European Women in Mathematics (EWM) can pay their EWM fees when renewing their LMS membership. To join the EWM, please visit: http://www.europeanwomeninmaths.org

DONATIONS

14. If you would like to donate to the Society, please use the attached form. As a registered charity, the Society can reclaim the tax on your donation (an extra 25p for each £1) if you are a UK taxpayer at no extra cost to you.

MANAGING YOUR MEMBERSHIP & SUBSCRIPTION PAYMENTS ONLINE

If you are able to renew online www.lms.ac.uk/user, this is the quickest way to update your details, select journal access and make payment. The paper form remains available for members who prefer to renew by post or email.

DIRECT DEBIT	If you have a UK bank account and would like to pay by Direct Debit, please set this up online www.lms.ac.uk/user.with the Society's approved payment provider, GoCardless Ltd. • The GoCardless form asks for a UK billing address. If you live outside the UK, please enter the address of the UK bank or building society account from which the Direct Debit will be collected. • Once you have confirmed the Direct Debit set-up, you will be redirected to the LMS membership login page and shown a confirmation message. • GoCardless will also send you a separate confirmation email. Members paying by Direct Debit will be contacted to confirm the collection date. The main annual Direct Debit collection takes place on 1 November each year or, if this falls on a weekend, on the next working day.
CREDIT /DEBIT CARD	Credit/Debit Card payments can be made online via the Society's approved payment provider: Tyl by NatWest. Please note you will be re-directed to Tyl by NatWest webpage to complete the payment. At the end of the transaction, you will be directed back to your membership record.

☐ Please treat the enclosed donation of £ _____ and any donations I make in the future or have made in the past four years to London Mathematical Society as a Gift Aid Donation (unless I notify you otherwise).

☐ By ticking this box, I confirm that I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year, it is my responsibility to pay any difference. I will inform you if my circumstances change and Gift Aid can no longer be claimed on my donation.

☐ I am not a UK registered taxpayer.

PAYMENT DETAILS

I wish to pay by	UK cheque ❑	US$ cheque ❑	Direct Debit ❑*	Credit/Debit Card ❑*

UK CHEQUE	Sterling cheque drawn on a UK bank account, made payable to the '**London Mathematical Society**'
US$ CHEQUE	US$ cheque drawn on a US bank to the '**London Mathematical Society**' (US dollar cheques drawn on non-USA banks cannot be accepted). Figures quoted in US$ are for personal cheques and are set at this rate to allow for bank and postal charges. Note the facility overleaf for paying by credit card, where payment will be in sterling at the exchange rate on the date of payment. Regrettably, rapidly fluctuating exchange rates and bank charges make it uneconomic for the Society to accept cheques in other currencies or cheques payable in other countries.
