

London Mathematical Society
Undergraduate Research Bursaries in Mathematics
Referee's Statement 2023

REFeree'S STATEMENT – for completion by the Student's Academic Referee (NB. The proposed research supervisor should **not** provide this statement).

Name of student:

Institution:

Degree course:

Education Stage:

Year 2/3 ☐

Year 3/4 ☐

Year 3/MSc ☐

Other please specify:

Expected year of graduation:

(NB. Final year student's must be intending to undertake a Taught Masters degree course immediately following their undergraduate degree and should declare this in the Student's Supporting Information).

Supporting statement from the student's academic referee. This should include:

- How you expect the student would benefit from receiving a grant.
- A comment on the student's academic performance to date.
- Explicit statement of expected degree level and approximate ranking, e.g. top 10% of cohort.
- Explain any research experience the student already has.

Privacy Statement: The London Mathematical Society (LMS) is a registered charity for the advancement, dissemination and promotion of mathematics in the UK and worldwide. Data provided by you on this form will be stored securely and used under the lawful bases "Contract" and "Legitimate Interests" in relation to the application, and if successful, to the Undergraduate Research Bursary (URB). All applications for URBs are reviewed by external referees and by members of the LMS Early Career Research Committee and so personal data will be shared securely with them. You have the right to object to the processing of your personal data that we carry out and the right to access any of your personal data held by the LMS. For further information about how the LMS processes personal data, please see the LMS Privacy Notice: www.lms.ac.uk/privacy-notice
