London Mathematical Society
Undergraduate Research Bursaries in Mathematics
Head of Department's Statement 2023

HEAD OF DEPARTMENT – for completion by the Research Supervisor's Head of Department

Departments are asked to provide match funding for the Bursary to the amount of at least half the grant awarded. Please confirm that the Department would be willing to provide funding for at least half of the grant amount applied for (tick the appropriate box).

- The Department is willing to provide match funding for at least half of the grant amount applied for: ☐
- The Department is not willing to provide match funding: ☐

Normally no more than four bursaries will be awarded to an individual department or subject area within a multi-disciplinary department or school (no more than two if the Bursary is not match-funded by the department). Please bear in mind that this is a national scheme with a limited number of bursaries.

Heads of Department are asked to ensure:

i. The project and the roles of the student and supervisor are clearly described and can be supported by the facilities of the host department.
ii. That only one application is submitted per supervisor.

Declaration: By signing below you confirm that:

i. This application is made with your support.
ii. The institution will administer the Bursary, if awarded, and will ensure that the requirements of all relevant regulatory authorities will be met before the work commences.
iii. The institution accepts the Conditions of Award, Reporting Requirements and the London Mathematical Society's Privacy Statement.
iv. (if applicable) the Department will provide match funding for at least half of the grant amount applied for.

Name of institution and department:

Name of Head of Department signing on behalf of the institution:

Head of Department's signature (may be scanned):

Date:

If the application is successful, a bank transfer payment will be made directly to the Institution. Payment details will be requested if and when notification of a successful application is issued.

Privacy Statement: *The London Mathematical Society (LMS) is a registered charity for the advancement, dissemination and promotion of mathematics in the UK and worldwide. Data provided by you on this form will be stored securely and used under the lawful bases "Contract" and "Legitimate Interests" in relation to the application, and if successful, to the Undergraduate Research Bursary (URB). All applications for URBs are reviewed by external referees and by members of the LMS Early Career Research Committee and so personal data will be shared securely with them. You have the right to object to the processing of your personal data that we carry out and the right to access any of your personal data held by the LMS. For further information about how the LMS processes personal data, please see the LMS Privacy Notice: www.lms.ac.uk/privacy-notice*
