

**LMS 150th Anniversary**

# LMS Prospects in Mathematics

**15-16  
December  
2015**

A Symposium for Potential Research Students in Mathematics

**Department of Mathematical Sciences,  
Loughborough University**

Are you considering applying for PhD study in mathematics for entry in 2016?  
If yes, this meeting is for you!

## List of speakers

Stephen Coombes (Nottingham)	Diane Maclagan (Warwick)
Martin Huxley (Cardiff)	Paul Milewski (Bath)
Natalia Janson (Loughborough)	Kostanze Rietsch (KCL)
Daniela Kuhn (Birmingham)	Anna Taormina (Durham)
Tanniemola Liverpool (Bristol)	Richard Thomas (Imperial)

## How to participate

Funding is available - register at the conference webpage:  
<http://homepages.lboro.ac.uk/~maap/LMS/>

## Organisation and Support

The event is sponsored by the London Mathematical Society and supported by the Department of Mathematical Sciences, Loughborough University.

The local organisers are Karima Khusnutdinova, Marta Mazzocco, and Artie Prendergast-Smith.

For more information email [a.prendergast-smith@lboro.ac.uk](mailto:a.prendergast-smith@lboro.ac.uk).
