# LMS MEMBERSHIP SUBSCRIPTIONS 2020/21

Dear LMS Member,

Thank you for your ongoing support of the London Mathematical Society through your continuing membership.  I write to remind you that subscriptions, including payments for periodicals for personal use, for the session November 2020–October 2021 **become due on 1 November 2020,** and should be paid **no later than 1 December 2020** (except for Direct Debits, see below).

## Access to your membership record online

Members can now access their own records online by logging on to the Society's website: www.lms.ac.uk/user and clicking on the "My LMS Membership" tab.  The tab contains the relevant information about a member as held by the Society, including contact details and information about their membership and, where applicable, journal subscriptions.  Members are encouraged to check this information carefully and make any changes, as necessary. Queries should be directed to membership@lms.ac.uk, 020 7927 0807 or 020 7291 9977.

## Membership Benefits

We are pleased to remind you that your annual subscription entitles you to a range of benefits; use of the Verblunsky Members' Room at De Morgan House, use of the Society's Library at UCL, regular *Newsletters* and e-Updates, networking opportunities and membership of a vibrant international society, among many others, including the discounts and free online access to journals.

## Paying your subscription:

- *Direct Debit Payments:* The Society encourages members to pay by direct debit.  Any member who holds a UK bank account and who wishes to take advantage of this convenient form of payment can set up a direct debit with the Society via GoCardless.com by logging in to their member record or contact the Membership Department for advice (email: membership@lms.ac.uk, telephone: 020 7927 0807 or 020 7291 9977).
- *Payments by Cheque:* The Society also accepts payment by cheque either in GBP or USD.
- *Payments by Credit/Debit Card:* The Society accepts payment by credit/debit card online *only* via its website and uses WorldPay as its card payment provider.

## Journal Subscription Rates

- To subscribe to the 2021 Journal Volumes, please see the information on the attached form.
- Members can have a free electronic subscription to *the Bulletin, Journal,* and *Proceedings of the LMS* and/or *Nonlinearity* for personal use only. Members **must** indicate their choice either on their online membership record or on the attached form.
- Please note it is essential the Society is given a current email address if you wish to subscribe to electronic access of any of the above journals.
  - If you take a free electronic subscription to the *Bulletin, Journal,* and/or *Proceedings of the LMS*, your email address will be passed to Wiley who will administer access to these journals.
  - If you take a free electronic subscription to the *Nonlinearity*, your email address will be passed to the Institute of Physics who will contact you with details on how to access the journals.

## Donations

Finally, would you consider donating to the London Mathematical Society?  In making a donation - which you can do using the attached form or via your online membership account (www.lms.ac.uk/user) - you would be following in a tradition established by G.H. Hardy and others. Your donation will be used to help the Society continue to achieve its objectives to advance, disseminate and promote mathematical knowledge, both nationally and internationally. As a registered UK charity (no. 252660), the LMS currently supports mathematics research in many ways, for example, through grant-giving to enable mathematicians to undertake research and collaboration. More details of the activities that we undertake and fund can be found online: www.lms.ac.uk/content/donations/how-lms-supports

Yours sincerely

*Rob Curtis*

**Professor Robert Curtis, Treasurer**.

# N O T E S

## SUBSCRIPTIONS

**1.** The basic subscription is exclusive of periodicals.

**2.** The subscription is not payable by a member who:

(i)  is an Honorary Member; or
(ii) has paid annual subscriptions for not less than 35 years.
If you claim free basic subscription please indicate the reason clearly on the subscription form.

**3.** Selected discounted rates on Ordinary membership are available to members, as follows:

**i.** Reciprocity membership is available to members who are not normally resident in the UK **and** who are also a full member of one the Society's Reciprocity partners, as listed on the Society's website.
**ii.** Associate Post-doc membership is available to early career members whose Associate membership recently expired now that three years has passed since their PhD, who would normally be upgraded to Ordinary membership and who are currently on a fixed-term contract.
**iii.** Concessionary membership is available to members who have returned to full-time education, are on a career break or in part-time working, or are unemployed or otherwise in hardship.

For further details about changing to Associate Post-doc and Concessionary membership, please contact **membership@lms.ac.uk**.

## LMS PUBLICATIONS FOR MEMBERS

**4.** The membership benefits also allow individual members to sign up for access to the *Bulletin*, *Journal*, *Proceedings of the LMS* and *Nonlinearity* online, free of charge. Discounted print copies are available only to members who have current print-and-online subscriptions and are for their personal use only.

➢ Subscriptions to *Bulletin*, *Journal* and *Proceedings* of the LMS are administered by Wiley.
➢ Subscriptions to *Nonlinearity* are administered by the Institute of Physics.

In common with other mathematical societies, the Society views a subscription as for personal use only if:

**a.** printed issues are accessible to other mathematicians (or to students) only with the member's permission, given individually in each case, and
**b.** electronic subscriptions are only for personal use and are not to be shared with other mathematicians.

**5.** The Society reserves the right to discontinue the supply of free online access to these journals to members whose subscriptions remain unpaid by *1 December 2021* (where the subscription arrives after 1 December, free online access will be supplied but with some delay).

## OTHER PUBLICATIONS AND DISCOUNTS AVAILABLE TO INDIVIDUAL MEMBERS

**6.** The Society is associated with the publication of three book series:

- The LMS Student Texts (Cambridge University Press),
- LMS Lecture Note Series (Cambridge University Press),
- LMS Monographs (Princeton University Press and, for books published before 2004, Oxford University Press).

    ***All these publications are available at a discount to individual members on orders placed direct with the publisher.*** For further details about the Society's publications, please refer to the LMS website: **www.lms.ac.uk/publications**

**7.** Individual members are entitled to a discount on subscriptions to the following journals (members should contact the organisations directly):

- *Proceedings of the Cambridge Philosophical Society*: **www.dpmms.cam.ac.uk/mpcps**
- *Glasgow Mathematical Journal*: **www.gla.ac.uk/departments/mathematics/gmj**

**8.** Members of the European Mathematical Society may also subscribe via the LMS to the *Journal of the European Mathematical Society* (JEMS). There will be 12 issues in 2021.
➢ Subscriptions to *Journal of the European Mathematical Society* are administered by the EMS.

## MEMBERSHIP SUBSCRIPTIONS TO OTHER MATHEMATICAL SOCIETIES

**9.** Individual members can subscribe to the European Mathematical Society (EMS), at a discount, when renewing their LMS membership: http://www.euro-math-soc.eu

**10.** Members of European Women in Mathematics (EWM) can pay their EWM fees when renewing their LMS membership. To join the EWM, please visit: http://www.europeanwomeninmaths.org

## DONATIONS

**11.** If you would like to make a donation to the Society, please use the attached form. As a registered charity, the Society can reclaim the tax on your donation (an extra 25p for each £1) if you are a UK taxpayer at no extra cost to you.

Please complete both sides of this form clearly in black ink

**Communication Preferences:**

The LMS holds your personal data on our database in order to administer your membership, keep in touch with you and deliver your benefits, which include the bi-monthly LMS *Newsletter.* Please let us know if you would like to receive this benefit:

- I wish to receive the bi-monthly LMS *Newsletter* By post ☐ By email ☐ By post & email ☐

**Fields of interest** (see enclosed list) :

***Privacy Statement:*** The London Mathematical Society (LMS) is a registered charity for the advancement, dissemination and promotion of mathematics in the UK and worldwide. We use your data to manage your LMS membership, including keeping you informed about news, events and activities via the LMS Newsletter and the LMS e-Update under the lawful bases "Contract" and "Legitimate Interests". The LMS will not disclose your information to third parties, except where this is necessary to carry out the administration and provision of its services to you e.g. contact details for subscribers to the journals and/or the EMS or EWM will be passed to the relevant publisher and/or society. You have the right to access any of your personal data held by the LMS and have the right to prevent its use for direct marketing. Further information on how the LMS handles personal data can be found in the LMS Privacy Notice online: https://www.lms.ac.uk/privacy-notice  Enquiries relating to the Data Protection Act should be addressed to the Data Protection Officer, LMS, De Morgan House, 57-58 Russell Square, London WC1B 4HS.

## MANAGING YOUR MEMBERSHIP & SUBSCRIPTION PAYMENTS ONLINE

Members can now manage their membership and journal subscriptions online, including setting up a direct debit or paying by credit/debit card, by logging into their membership records online via: www.lms.ac.uk/user and selecting the My LMS Membership Tab.

| **DIRECT DEBIT** | If you have a UK bank account and would like to pay by direct debit, please set up a direct debit with the Society's approved payment provider, GoCardless Ltd |
|---|---|
| | • Please note the form requests a UK billing address. If you live outside the UK, we advise that you enter the address of the bank/building society of your UK account from which the direct debit will be collected. |
| | • Once you have confirmed the set-up of your direct debit, you will be directed to the LMS webpage for membership login and a message will appear to confirm the direct debit has been set up. |
| | • You will also receive a separate email direct from GoCardless to confirm the direct debit has been set up. |
| | Members paying by direct debit will be contacted to confirm the date on which their accounts will be debited. The main annual direct debit collection is on 1 November each year (or, where this falls on a weekend, the first working day thereafter). |
| **CREDIT /DEBIT CARD** | Credit/Debit Card payments can now be made online via the Society's approved payment provider: WorldPay. Please note you will be re-directed to WorldPay to complete the payment. At the end of the transaction, you will be directed back to your membership record. |

*Continued overleaf*

| Low Fees *for students, unemployed or professional mathematicians from countries where the income is low.* | ❑ £5.00 | ❑ US$10.00 | | |
| Standard fees | ❑ £20.00 | ❑ US$40.00 | | |
| High fees *for EWM members who wish and are able to support more EWM activities.* | ❑ £50.00 | ❑ US$100.00 | | |
| **Donation** | **£** | **US$** | | |

**GIFT AID** *(please complete and sign if you are making a donation to the Society – see Note 11)*   *giftaid it*

☐ Please treat the enclosed donation of £ _____ and any donations I make in the future or have made in the past four years to London Mathematical Society as a Gift Aid Donation (unless I notify you otherwise).

☐ By ticking this box I confirm that I am a UK taxpayer and understand that if I pay less Income tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay and difference. I will inform you if my circumstances change and Gift Aid can no longer be claimed on my donation.

☐ I am not a UK registered tax payer.

*Signature*                                         *Date:*

| | | **Total** | **£** |
|---|---|---|---|

**PAYMENT DETAILS**

| **I wish to pay by** | UK cheque ❑ | US$ cheque ❑ | Direct Debit ❑* | Credit/Debit Card ❑* |
|---|---|---|---|---|

\* Please see details on how to pay by direct debit or credit/debit card overleaf

| **UK CHEQUE** | Sterling cheque drawn on a UK bank account, made payable to the '**London Mathematical Society**' |
|---|---|
| **US$ CHEQUE** | US$ cheque drawn on a US bank to the '**London Mathematical Society**' (US dollar cheques drawn on non-USA banks cannot be accepted). Figures quoted in US$ are for personal cheques and allow for bank and postal charges. Note the facility overleaf for paying by credit card, where payment will be in sterling. Regrettably, rapidly fluctuating exchange rates and bank charges make it uneconomic for the Society to accept cheques in other currencies or cheques payable in other countries. |

| **Please return this form with your remittance either by email to: membership@lms.ac.uk** **Or by post to:** *Membership, London Mathematical Society, De Morgan House, 57–58 Russell Square, London WC1B 4HS, United Kingdom.* **Queries: tel 020 7927 0807/ 020 7291 9977** | **Office use only** |
