Further guidance to authors regarding the RCUK policy is available [here](#).

### ARCHIVING POLICY

Authors may (continue to) post a preprint of their article, up to the version accepted for publication<sup>‡</sup>, on the author(s)’ personal or institutional web page<sup>‡</sup> or in an electronic archive, provided that a journal reference is given to the published version (including a DOI or published page numbers, or ‘to appear’) together with a statement that the two versions are different.

<sup>‡</sup>For articles published with the paid Open Access option, this extends to the final, published version and on any web page.
