

## ***LMS Journal of Computation and Mathematics (JCM)***

Owned by: London Mathematical Society  
Published by: London Mathematical Society  
Distributed by: Cambridge University Press  
Copyright owned by: Author(s)

Type of publishing licence: Exclusive licence (see [sample form](#))

Publishing model:

The *LMS Journal of Computation and Mathematics* is a free online journal.

RCUK compliance: This journal is compliant with the Research Councils of the United Kingdom (RCUK) [Policy on Open Access](#) under the ‘green’ open access criteria, as it allows the author to post preprint versions, up to and including the final accepted manuscript, in an institutional repository.

Further guidance to authors regarding the RCUK policy is available [here](#).

### ARCHIVING POLICY

Authors may (continue to) post a preprint of their article, up to the version initially accepted for publication, on the author(s)’ personal or institutional web page or in an electronic archive, provided that a journal reference is given to the published version (including a DOI or published page numbers, or ‘to appear’) together with a statement that the two versions are different.
