ARCHIVING POLICY

Authors may post any version of their article, including the final published version, on any web page, server or electronic archive, subject to the conditions of the Creative Commons licence, namely that:

- the original authorship is properly and fully attributed;
- the journal and publisher are attributed as the original place of publication with correct citation details given to the final published version;
- if an original work is subsequently reproduced or disseminated not in its entirety but only in part or as a derivative work this is clearly indicated;
- No articles published with a CC-BY-NC or CC-BY-NC-ND licence are reproduced for commercial purposes without the prior consent of the London Mathematical Society (LMS) and John Wiley & Sons Ltd.
- No modification nor adaptation has been made to articles published with the CC-BY-NC-ND licence.
