STEP 1 – OPEN ACCESS AGREEMENT – CREATIVE COMMONS

London Mathematical Society will include the Article in this journal on an open access online basis. The Article will be made freely available online for use immediately upon publication and by default will be distributed under the terms of the Creative Commons Attribution Non-Commercial License (http://creativecommons.org/licenses/by-nc/3.0/) which permits non-commercial use, distribution, and reproduction in any medium, provided the original work is properly cited.

☐ CC-BY**:** If your funding body requires you to make your work available via a CC-BY licence, or if you wish to make your article available for Open Access commercial use, please indicate this by ticking this box. For full details of the Creative Commons Attribution License please see here http://creativecommons.org/licenses/by/3.0/.

The article will be made available as part of the long-term electronic archive without subscription barriers to access. Notwithstanding any exclusivity granted by you to London Mathematical Society in respect of other versions, users of open access versions are entitled to use, reproduce, disseminate, or display articles under the licence provided that:
- The original authorship is properly and fully attributed;
- London Mathematical Society is attributed as the original place of publication with the correct citation details given;
- If an article is subsequently reproduced or disseminated not in its entirety but only in part or as a derivative work this must be clearly indicated.

STEP 2 – THE LICENCE TO PUBLISH

In order to provide us with the rights we require in order to carry out our publishing activities and to distribute your article under your chosen Open Access model, we require a copyright licence providing us with the rights set out below.

Please tick either Box A or Box B.

☐ BOX A: to be completed if copyright belongs to the Author or the Author's employer.
You hereby grant to LMS an exclusive licence for the full period of copyright throughout the world. In particular, this provides OUP and LMS with exclusive right:
- to publish the final version of the Article in the above journal, and to distribute it and/or to communicate it to the public, either within the journal, on its own, or with other related material throughout the world, in printed, electronic or any other format or medium whether now known or hereafter devised;
- to make translations and abstracts of the Article and to distribute them to the public;
- to authorize or grant licences to third parties to do any of the above;
- to deposit copies of the Article in online archives maintained by LMS or by third parties authorized by OUP.

You authorize us to act on your behalf to defend the copyright in the Article if anyone should infringe it and to register the copyright of the Article in the USA and other countries, if necessary.
In the case of a multi-authored article, you confirm that you are authorized by your co-authors to enter this licence on their behalf

☐ BOX B: to be completed if the Article is protected by UK Crown Copyright, is in the public domain (e.g. US Government Publications) or cannot be fully licensed as requested above. Please briefly indicate the reasons here.
