

LMS ECR Travel Grants Frequently Asked Questions

1. *Can the grant to be used to cover accommodation costs?*

Yes, the travel grant can be used to cover accommodation costs but not subsistence costs.

2. *Can the grant be used to cover registration fees?*

No.

3. *Can the grant be used to cover travel costs incurred when attending an interview for a visa?*

Yes, this is an allowable cost.

4. *Is any researcher no more than five years past PhD eligible to apply e.g. permanent faculty?*

Any UK-based researcher who is no more than five years past PhD (excluding academic career breaks) can apply to the scheme.

5. *Is there any flexibility with the application deadlines or the timings of the conferences for a particular application round?*

No, there is no flexibility with the application deadline.

6. *Is there any flexibility with the timings of the conferences for a particular application round?*

The start date of the conference must be no earlier than the first month stated on the Society's website for any particular application round. Conference start dates can be later than the last month given on the Society's website for any particular application round. For example, for applications due to be submitted by 22 February, the start date of the conference must be no earlier than July but it can be later than December.
