

LMS Travel Grants for UK-based Early Career Researchers to attend the International Congress of Mathematicians 2018

Guidance notes for Grant Application Form

1. The London Mathematical Society has set aside funds to be used for making grants to support the attendance of UK-based Early Career Research mathematicians at the ICM 2018 in Rio de Janeiro from 1-9 August 2018 (<http://www.icm2018.org/portal/en/>).
2. The grants are intended to contribute to the costs of attending the ICM 2018, not to meet them entirely. The grants are not to support attendance at Satellite meetings.
3. Applicants should be Early Career Researchers, defined as within five years of PhD completion (excluding career breaks), based at a UK institution.
4. PhD students whose research would benefit from attending the meeting may also apply but their applications should be strongly supported, with a clear mathematical case, by their supervisor.
5. **You do not need to be an LMS member to apply.**
6. Part A of the form should be completed by the applicant; the form should then be passed to a Head of Dept (or supervisor in the case of PhD students) for the completion of Part B and submission of the form to the LMS.
7. Applications should be submitted by **2nd February 2018** and will be acknowledged by email. Applicants will be informed of the outcome by early April.
8. Completed forms should be sent to:

By email to: ecr.grants@lms.ac.uk, or
By post to:
LMS ECR Travel Grants for ICM 2018
London Mathematical Society
De Morgan House
57-58 Russell Square
London WC1B 4HS
9. Queries should be addressed to Elizabeth Fisher (email. ecr.grants@lms.ac.uk, tel. 020 7291 9973)

Application for LMS Travel Grant for UK-based Early Career Researchers to attend the International Congress of Mathematicians 2018

Part A - to be completed by the applicant

1. Details of applicant				
Title		Forename		Surname
Address				
Email:				Tel:

2. Present or most recent post/current study (give university affiliation, if applicable)

3. Qualifications and career			
Please list all degrees, including level and subject	Degree	Subject	Year of Award
Brief statement of scientific career, including awards and prizes. Please include details of any career breaks:			
Principal research interest:			

4. Details of participation at the ICM 2018 (main meeting only, NOT satellite meetings)			
First day of visit:		Last day of visit:	
Total length of visit in days:			
Please state benefits to your mathematical research in attending the ICM 2018, and mention any contribution you will make to the meeting			

5. Expenses

<u>Attendance costs</u>		<u>Amount (£)</u>
International economy fare or equivalent:		
Accommodation and meals:		
Registration fee:		
Other (e.g. child care), please give details:		
Total		
<u>Support for attendance costs</u>	<u>Assured (£)</u>	<u>Pending (£)</u>
Employer/institution:		
Conference organisers:		
Personal:		
Other sources (please specify):		
Totals		
Sum requested from London Mathematical Society (to nearest £)		

Signature of applicant		Date	
-------------------------------	--	-------------	--

Personal data provided on this form may be held and processed on the Society's computer. A summary of the Society's data protection policy, including the rights of subjects upon whom data is held, is obtainable from the Administrator.

Part B – Applicant: please pass the form to the Head of Department for completion and to send to the London Mathematical Society.

For the Head of Department

Please give an overall evaluation of applicant, including how attendance at the ICM 2018 will benefit the applicant's research. Please note the evaluation will be considered in confidence by the Early Career Research Committee.

If applicable, please could you confirm department's contribution given in Q5 above.	Yes <input type="checkbox"/> No <input type="checkbox"/>
Please give further details, if applicable:	

Signature	_____	Date	_____
Name	_____	Status	_____

When complete, please return the form to: ecr.grants@lms.ac.uk or by post to: LMS ECR Travel Grants for ICM 2018, London Mathematical Society, De Morgan House, 57-58 Russell Square, London WC1B 4HS by **2nd February 2018**
